Air Freshener

Sold through hotel gift shops, the ANI-200 Automotive Air Ionizer plugs into a standard automobile cigarette lighter, promising guests a refreshing drive home from their vacation. The ANI-200 produces millions of negative ions, simulating the ion-rich environment of mountains, seashores and waterfalls. Smoke, pollen, dust and other airborne pollutants are eliminated, along with harmful bacteria and carbon monoxide fumes. **Circle 355**

Refreshment Centers

Advanced Refreshment Centers represents a new generation of minibars. The U.S.-made product comes with a five-year parts and labor warranty for non-wood components (two-year warranty for cabinetry) and boasts such innovations as absorption cooling, reliable spring locks, concealed hinges and digital timer. **Circle 350**

Metal Roofs/Wall Systems

Steelco Metal Construction Products premieres a new eight-page catalog, including full details of its architectural and structural metal roof and wall systems. The catalog highlights product features and

benefits, engineering, span tables and other technical data, coating performance information and complete specifications for Steelco's three concealed fastener systems. **Circle 352**

Interior Enamel Paints

ProClassic Interior Acrylic Waterborne Enamel from Sherwin-Williams features all the benefits of traditional oil-based enamel paint—smooth application, hardness, adhesion and washability—while eliminating the common oil-based paint problems of solvent odor, slow dry time and yellowing. With a hard, durable finish, ProClassic enamel

stands up to the rigors of high traffic areas and dries quickly without blocking. **Circle 360**
